The medical report which
MCPX

found no evidence that Mohd Saiful Bukhari Azlan was sodomised proves that PKR de facto leader Anwar Ibrahim is innocent, said his wife today.

wan azizah interview 270308 01 "It's a confirmation that it's a conspiracy all along as this report goes to prove Anwar's innocence," PKR president Dr Wan Azizah Wan Ismail told Malaysiakini.

In view of this, the opposition leader urged the police to investigate why there is an attempt to defame her husband instead of continuing the probe on the sodomy allegation.

Anwar could not be reached for comments but he is expected to hold a press conference at the PKR headquarters in Kuala Lumpur tomorrow morning.

The former deputy premier has maintained that he was innocent of the sodomy allegation - a charge reminiscent of what happened a decade ago when he was thrown out of government and into jail.

anwar ibrahim and saiful bukhari azlan The medical report - where the doctor found no evidence of sodomy - was issued four hours before Saiful, who was Anwar's former aide, lodged a police report on June 28 that he was sodomised by the opposition stalwart.

It is believed that Saiful went to two different hospitals that day.

He first went to Hospital Pusrawi (Pusat Rawatan Islam) in Jalan Tun Razak - a government-linked Islamic medical institution - at about 2pm.

Zero tear and scar

According to a copy of the two-page medical report obtained by Malaysiakini yesterday, Saiful went to the hospital complaining of 'tenesmus' - a medical term for difficulty and pain in passing motion.

He was examined by Dr Mohamed Osman Abdul Hamid, the medical officer on duty.

Mohamed Osman, according to his medical report which was recorded at 2.14pm, found "zero active bleeding", "zero ulcer or pus", "zero tear and scar" in Saiful's anus.

In his concluding remarks, the doctor advised Saiful to go to a government hospital so as "to rule out" assault and sodomy.

At 6pm, Saiful went to Hospital Kuala Lumpur for his second medical examination. He subsequently lodged a report against Anwar at the police beat in the hospital premises.

Hospital Pusrawi is carrying out an internal investigation on how Saiful's medical report was

leaked.

Saiful could not be reached for comment despite numerous attempts.
