PAS members should not blindly follow their leaders in allowing DAP to insult Islam, Umno Youth chief Khairy Jamaluddin said today.

He said PAS supporters should not keep mum with the antics of their leaders in condoning the action by DAP as it could jeopardise the religion and their race.

"PAS is prepared to sacrifice the party principles for power and this clearly shows their leaders are displaying an unhealthy trend in the country's politics.

"If they are responsible supporters, they should not allow their leaders to insult Islam. They should be brave and criticise their leaders," he told reporters after opening the Rompin Umno divisional delegates meeting in Pahang today.

He said this in response to a statement by Kelantan Menteri Besar and PAS spiritual leader Nik Abdul Aziz Nik Mat on Wednesday that the party would not condemn any statement by DAP members against Islam as the predominantly non-Muslim party was not an Islamic party.

Khairy added that while Muslims were taught to respect other religions, they should not allow others to insult Islam.
