GEORGE TOWN – DAP chairman Karpal Singh has ordered a gag order on all party members over Selangor Exco member Ronnie Liu and the support letter controversy.

"I am directing party members to stop speaking to the media regarding the matter. I am not appealing. I am directing them," he said here Saturday.

Karpal, who is also the Bukit Gelugor MP, said the issue was an internal matter and it would be resolved within the party.

He, however, did not specify if his directive was meant only for the mainstream media or if also covered the alternative media and social media.

According to The Star report, Karpal also admitted that the issue had smeared the party's image in the eyes of the public.

Several DAP leaders, including those from outside of Selangor, have issued statement urging the party to sack Liu over his involvement in the support letter issue.
