KUALA LUMPUR - Deputy Prime Minister Muhyiddin Yassin announced Friday that Johor Menteri Besar Abdul Ghani Othman will lead Barisan Nasional (BN) campaign in Tenang by-election as the election director.

He said BN had started its preparation for the by-election which will be held on Jan 30 and that Prime Minister Najib Abdul Razak had agreed to have the Johor MB to lead the campaign.

Muhyiddin is also confident that voters in Tenang, Johor are wise enough to decide on the best candidate to be their elected representative.

"No matter what the opposition says, the people in the constituency are more aware and wiser. Based on past records, Tenang has always been won by BN (Barisan Nasional).

"We hope voters in Tenang will continue to support BN," Bernama quoted him as saying .

Nevertheless, he said, BN would regard every by-election as a challenge and would never underestimate its opponents.

"We never underestimate the challenge from quarters, including the opposition, but we have our strategy as usual, and we will mobilise all the campaign machinery that we have," he added.

The Election Commission (EC) has set Jan 30 for polling in the Tenang state seat by-election, if there is a contest, while nomination is on Jan 22.
