SANDAKAN -- Umno vice-president Hishammuddin Tun Hussein reminded Umno members against practising the sabotage culture, saying that they should instead focus attention on preparing to face the next general election.

"This is the time for us to show leadership, this is the time for us to show loyalty not only to the party but also to those holding position including the Chief Minister and the Chairman of the Umno Liaison Body at the state level.

"In other words, leadership is placed on certain positions by the party leadership and should not be disturbed by our own people," he told reporters after opening the Libaran Umno delegates meeting, here yesterday.

Also present was the Chief Minister Musa Aman, who is also the Libaran Umno division head.

He said the emphasis now was to close ranks between the members and the leadership at the top level and at the division and state levels together with the other parties in the Barisan Nasional (BN).
