Once again, PAS is ignoring the so-called consensus previously agreed on by Pakatan Rakyat by mentioning that they will implement hudud laws.

I urge DAP not to continue this senseless charade and clarify their stand in this issue, as well as to leave Pakatan in order to defend the integrity of our country's secular system.

PAS President Abdul Hadi Awang has adamantly repeated the party's stand that they will implement hudud laws in Kelantan. His stubborn attitude on this issue shows contempt for Pakatan Rakyat's previous agreement of not implementing hudud.

DAP should be aware that once hudud is implemented in Kelantan, there will be significant impacts and threats on the Chinese community there as well as for other Malaysians everywhere.

DAP is merely paying lip service, claiming that they disagree to the implementation of hudud laws, but through their actions and their alliance with PAS in administering together four states under their control, hardline policies and laws are slowly being implemented in these 4 states.

PAS does not take the *Buku Jingga* seriously and disrespects it. Even PKR de facto leader Anwar Ibrahim has approved of hudud. Only DAP is making themselves feel good, holding onto their dreams and goals of the *Buku Jingga*.

If PAS sincerely agrees with the goals set out in the *Buku Jingga*, they would not continuously cry out for the implementation of hudud.

DAP is unwilling to face this political reality and will willingly pay any price, including helping PAS to take charge of the country, to protect their positions in the government.
