The verdict on Anwar Ibrahim's acquittal signifies the following:-

The Rakyat must congratulate that our judiciary has shown to be independent and heralding a new beginning for our country.

The Rakyat must also congratulate this verdict for Anwar Ibrahim so as to enable him to seriously move forward his political struggles and reformation.

Equally, the Rakyat must congratulate Prime Minister Najib Razak reformation agenda is genuine.

It would appear that the PM has neutralized PKR and is showing the whole world that the judiciary in Malaysia is definitely independent.

In the light of these events, the writer holds the view that it is not going to be easy or perhaps very challenging for Anwar Ibrahim to lead PKR in the next GE 13.

The Police must be commended for handling this current issue with absolute professionalism and transparency.

However the acquittal of Anwar Ibrahim is not enough to convince the majority of fence sitters to throw their whole hearted support to BN and UMNO.

BN-UMNO must seriously show more political will to display its genuine intention to reform and lead into a future that is truly democratic featuring fairplay, justice and intolerance to corrupt practices.

More people holding high positions who have been exposed in corrupt allegations must be dealt with without fear or favor by the authorities governed by the laws of our country.

In the meanwhile, I pray that political sanity will return to all political parties in our country.

A strong reminder, AG's office must be more professional and wake-up in their performance as the country should be governed by the rules and order of the laws of our country.
