The latest incident on January 21, 2012 where the ceramah duly organized by HINDRAF/ABU was gatecrashed by UMNO mob will not hinder HINDRAF to push forward on its agenda to educate and reform the citizens on their rights.

HINDRAF is and always been subjected to various form of intimidation by the ruling government since its inception and this has not hindered us in pursuing human rights and equality in all form in Malaysia.

An indoor ceramah in educating the public on their rights as a citizenry has been blatantly disrupted with fear of aggravation in a truly Malaysian nation. The PDRM that holds its executive power in separation of power in a democratic state seems oblivious whenever HINDRAF or its activities are concerned as seen in this episode.

This incident that took place in Kg Kebun, Selangor is a clear reminder that UMNO and its mandores will do anything to maintain their hegemony even if it is against the rule of law of the nation.

What is clear and pathetic here is the hired goons were nothing more than teenagers who are imbibed by the UMNO culture of money, cronyism and nepotism. The role of the CPO of Selangor in denying that such a brazen ever took place clearly shows there is a cynical cohorts between the Police and the mobs believed to be the 3 line underworld gangs. Is this the state of the country that UMNO is creating for the future generation with hooliganism as their main agenda?

HINDRAF in tandem with its motto, this is our "right not mercy" will continue with all its forthcoming events in organizing ceramahs without fear throughout the country and invite all Malaysians to attend irrespective of race, religion or creed.
