

**Declare Your Assets To MACC As Instructed**

I hail the decision by the Prime Minister Najib Tun Razak on the 27th February 2012 that the MACC gets right to view assets declaration of top leadership.

It is therefore very clear that all politicians and including government servants must declare their assets to MACC or MACC has the right to demand their declaration.

I wish to recapitulate, some so-called Chinese leaders like VK. Liew's irrational stand, that it is inappropriate for MACC to keep records of properties of ministers and deputy ministers.

Najib's decision is loud and clear.

May I remind VK Liew and Mohamed Nazri to adhere the instruction given by BN's paramount leader.

If you still have much to hide, then quit.

Needless to say, politicians should be reminded that they are elected by the people to serve in public office and their salaries come from law-abiding taxpayers.

Therefore they are accountable to the people at all times and can be made answerable to MACC when needed.

People are their bosses.
