

Issue Joint Statement On Hudud To Ease Worries

To give peace of mind to the Chinese community and other non-Muslims, I urge the top three leaders of Pakatan Rakyat, namely DAP National Chairman Karpal Singh, PAS President Hadi Awang, and PKR de facto leader Anwar Ibrahim to set the record straight and issue a joint statement confirming once and for all that the implementation of hudud law is not suitable for a multi-racial country like Malaysia and that no party will seek to implement it.

As the Terengganu PAS Youth chief Mohd Nor Hamzah had publicly urged Karpal Singh to quit politics, it is proof that the DAP chairman is not respected by PAS and that DAP is not on equal terms with PAS.

When Mohd Nor Hamzah had insulted Karpal Singh over the latter's statement that the issue of hudud law will undermine Pakatan's plans to capture Putrajaya, Nor Hamzah had stressed that hudud is an agenda of PAS.

Due to this, I urge DAP, PAS and PKR to issue a joint statement in black and white promising that hudud law will not be implemented in this multi-racial Malaysia and that no political party will seek to impose hardline values onto a multiracial society.

PAS does not recognize DAP's objections to hudud

So long as there is no joint statement by the chiefs of the 3 component parties of Pakatan, any other objection voiced out towards the implementation of hudud law is insincere and ineffective, and will not ease the rakyat's fears. After all, PAS has indeed indicated that DAP is powerless to prevent PAS from implementing its agenda of having hudud law.

Even DAP Klang has seen it fit to support their National Chairman's stand over this issue, what with the enforcement of certain policies by PAS such as separate seating for unmarried Muslims men and women at the sole cinema in Kuala Selangor, the raid by the Selangor Islamic Affairs Department (JAIS) on the Damansara Utama Methodist Church, the confiscation of alcoholic drinks by the Shah Alam City Council, and the PAS-led Kedah state government demolishing the sole boar abattoir in the rice bowl state.

Teresa Kok silences DAP grassroots leaders objections against hudud

Despite the claims by DAP Klang that they have the support of 18 branches and are only representing the grassroots leaders in Selangor, the DAP Selangor chairman, Teresa Kok, had seen it fit to impose a gag order on them, preventing anymore grassroots leaders from commenting on this important issue of hudud law.

Why Teresa Kok did so is a mystery. Is it because PAS has crossed an unknown path, with DAP and PAS reaching an agreement in private which will benefit both of them, thus forcing DAP to submit to PAS over the hudud issue?

Therefore, I urge DAP grassroots leaders to stand together and speak up against Teresa Kok's poor leadership in Selangor, and that Selangor excos Ean Yong Hian Wah and Ronnie

Liu should apply pressure on the PAS excos in the Selangor state government to urge DAP to issue a joint statement stressing that hudud law is not feasible for multi-racial Malaysia and that no political party will seek to enforce it.
