## > On Proton and Mahaleel

This boardroom politics, I think, has spilled over to other politics. Powerful hands might be involved.

I don't know if you can assume that Mahaleel has failed. He ran the company for more than seven years and during that time, Proton had been profitable despite all the APs.

## > On APs and Rafidah

The names of the companies were not given in full. How many people were shareholders in how many companies? How many APs were given? Many things were not revealed to me.

Rafidah had alleged that I might have forgotten this and that. I may be 80 but I am not senile yet.
