

# Youth wing: we won't let Anwar rejoin Umno

**BESUT:** Umno Youth will go all out to oppose any attempt to bring back former Deputy Prime Minister Datuk Seri Anwar Ibrahim into Umno.

The movement's head Datuk Seri Hishammuddin Hussein said there was talk of efforts to bring Anwar back into the party, but Umno Youth would stick to its earlier stand against such a move.

He said this when opening the delegates meeting of the Besut Umno Youth and Puteri movements here yesterday.

Also present was Terengganu Menteri Besar Datuk Seri Idris Jusoh and Terengganu Umno Youth head Mohd Sabri Alwi.

Touching on other issues, Hishammuddin denied allegations that the central Umno Youth leadership was preventing the Youth divisions and branches from inviting several top executive council members from opening their meetings.

"I wish to state that all exco members are free to open the decision meetings, and the divisions are free to invite any top exco member," he said. —
