

Dr M will only destroy himself, says Adrian

KUANTAN: Pahang Menteri Besar Datuk Seri Adrian Yaakob said yesterday former prime minister Tun Dr Mahathir Mohamad would only "destroy himself" by colluding with people who were upset with umno and the government.

Addressing a gathering attended by Prime Minister Datuk Seri Abdullah Ahmad Badawi, who was on a two-day working visit to Pahang, Adrian said Mahathir had become irrational in his actions.

"Tun, whom we revere, has been instigated by irresponsible people to the extent that he has become irrational and is making nonsensical accusations (against the prime minister)," he said.
