

# Dear Tun, please let go for the sake of our country

WE Malaysians thank you for your glorious 22 years of service to the country.

You have made Malaysia what it is today - a developed, politically and economically stable country where all of us live in peace and harmony.

We salute you, Tun Dr Mahathir Mohamad!

But then dear Tun, my friends and I fear that your actions in the past few weeks tend to point to a direction where what you brought about to Malaysia is going to be destroyed by you.

You are beginning to question each and every move the Government makes.

You even tried to dictate terms for meeting our Prime Minister.

You are pushing our Prime Minister against the wall.

You insisted and got the two-hour meeting with Pak Lah, but what did you do the moment you came out from the meeting?

You called in the media and gave them a field day.

But in spite of all these, our noble and gentle Pak Lah has not spoken one word against you or said anything to hurt your feelings.

Alas, you have deeply hurt his.

Please let Pak Lah do his job, the job of Prime Minister.

Let Pak Lah and his Cabinet Ministers (majority of whom were selected by you to work with you) carry out the mandate given by the people.

The same way that the people let you carry out yours.

My dear Tun, for our country's sake, please learn to let go and retire in style.

No matter what has happened in the past few weeks, we will still love you, respect you, admire you and, most important of all, we will still thank you in our hearts for everything that you have done

for my father, for me, my children and, without doubt, the future generations to come.

For it is you who ploughed the field, sowed the seeds and applied the fertilisers.

Now let Pak Lah nurture the plant, remove the pests, water it and day by day harvest the fruits for all Malaysians.

And to Pak Lah. We are all behind you. Go forward.

Never let this sad episode dampen our spirits. Twenty three million people support you.
