PUTRAJAYA: More than 200 followers of the Thaveethin Koodaram Church in Taman Pertama, Ipoh, submitted a memorandum to the Prime Minister here seeking his assistance to save their church, which is also known as the Church of the Tabernacle of David, from closure.

The church's senior pastor and founder Menon Menasa, who was accompanied by Keadilan's vice-president N. Gobalakrishnan, handed over the 77-page memorandum to the Prime Minister's senior private secretary Ahmad Yaacob.

The memorandum, among others, stated that Pastor Menon had been principally responsible for the establishment of the church.
