

PakLah goes on leave

PUTRAJAYA: Prime Minister Datuk Seri Abdullah Ahmad Badawi will go on leave from today until June 15.

According to a statement from the Communications Unit of the Prime Minister's Office, Abdullah will, while on leave, visit an exposition in San Francisco that was being organised in conjunction with the annual international convention of the Biotechnology Industry Organisation.

The convention is the biggest gathering of biotechnology experts from all over the world.

Over 1,000 biotechnology companies, academic institutions, biotechnology centres and other companies from the United States and 33 other countries are taking part, the statement added. - Bernama
