

Muhyiddin: Opposition can use tapes of Dr M in polls

MUAR: Tun Dr Mahathir Mohamad's criticism of the Government and Umno leadership can be used by the opposition parties in the general election.

Umno vice-president Tan Sri Muhyiddin Yassin said the

opposition will have no need to make campaign speeches to attack the Barisan Nasional government as they could play the tapes of the former leader's criticism.

Speaking to the Pagoh Umno division Wanita, Youth and

Putri members here he said he felt sad that the former leader decided to speak out against the Government and party leadership.

"I am in a dilemma to talk about the matter as I was a member of Tun's Cabinet and it

was he who put me where I am today," he said when opening the wings delegate conferences yesterday.

Muhyiddin said Dr Mahathir's criticisms could cause the people to lose confidence in the Government.

Muhyiddin also said he supported the leadership of Datuk Sen Abdullah Ahmad Badawi now as the leader was the Prime Minister and also Umno president and it was his principle to give his support to the leader.
