Bivši premijer doveo biznismene da istraže mogućnosti investiranja u BiH ● Susret sa Silajdžićem

Bivši premijer Malezije, ugledni svjetski diplomata i veliki prijatelj naše zemlje dr. Muhamed Mahatir, jučer je doputovao u trodnevnu posjetu BiH. Kako je kazao novinarima nakon dolaska na Sarajevski aerodrom, došao je kako bi ispunio obećanje dato za vrijeme prošlogodišnje posjete BiH.

- Kazao sam da ću dovesti malezijske biznismene da istražuju mogućnosti investiranja u BiH. Danas su tu sa mnom i nadam se da ćemo vidjeti nešto što ima potencijala za ulaganje.

Na Aerodromu su ga dočekali federalni premijer Ahmet Hadžipašić, na čiju je inicijativu i došao, te ministar finansija Dragan Vrankić.

Prema Hadžipašićevim riječima, poslovnim ljudima koji su stigli u pratnji Mahatira još ranije su dostavljeni projekti, ukupne vrijednosti od oko tri milijarde maraka, za koje je ocijenjeno da bi mogli biti zani-

mljivi potencijalnim ulagačima.

- Znamo da su analizirali projekte i očekujemo da ćemo za vrijeme njihove posjete nešto i konkretizirati. Optimista sam, naročito što se tiče investiranja u energetske sektor i turizam. Očekujem da će i određene prehrambene kompanije ući u ozbiljniji koncept razmatranja - naglasio je Hadžipašić.

Komentirajući eventualni interes Malezije za projekt „Autoput na koridoru 5C“, federalni premijer je rekao:

- To je državni projekt i, koliko znam, upoznati su sa njegovim detaljima. Ali, svakako da bi država trebala s njima nastaviti razgovore o tome.

Jučer u popodnevrim satima bivši malezijski premijer susreo se u rezidenciji Konak i sa Harisom Silajdžićem, liderom Stranke za BiH, za koga je ranije u više navrata navodio da su stari prijatelji.
