**KUALA LUMPUR:** Tun Dr Mahathir Mohamad is on the road to recovery and is receiving visitors.

After being transferred to a normal ward at the National Heart Institute on Saturday night, the former prime minister said he was getting better.

"I'm getting on fine, like a house on fire," he said.

His son, Datuk Mokhzani Ma-

hathir, said family members and close friends had visited his father. Due to doctors' advice, the family is limiting the number of visitors.

Mokhzani added that he did not know when his father would be discharged.

Dr Mahathir was admitted last Tuesday after he was transferred from Langkawi Hospital where he was warded on Monday.
