## Nik Aziz mum on royal meeting

**KOTA BARU:** PAS spiritual adviser Datuk Nik Abdul Aziz Nik Mat kept mum when asked if he would explain his dinner meeting last Thursday with the Yang di-Pertuan Agong and Umno leaders to the DAP and PKR.

"Tutup buku" (Book is closed) was his answer when asked if he owed an explanation to the opposition allies who were said to be in the dark about the meeting.

The DAP and PKR leaders had expressed unhappiness over the meeting which was said to have been held to revive Malay unity

talks and wanted an explanation from the Islamist party leadership.

Nik Aziz told reporters this after launching the Isuzu truck N-Series by a local distributor along Jalan Hospital here yesterday.

On Jan 3, Nik Aziz and party president Datuk Seri Abdul Hadi Awang quashed speculation that they had discussed the issue of a Malay unity with Umno and Tuanku Mizan Zainal Abidin.

Nik Aziz said he attended the dinner out of respect for Tuanku Mizan and declined to comment what transpired.
