Dr M to give talk on economy

KUALA LUMPUR: Grab a chance to dine with former prime minister Tun Dr Mahathir Mohamad and listen to his ideas on the economy.

Organised by the Malay Chamber of Commerce Malaysia, the dinner, which will be held on June 23 at the Crowne Plaza Hotel, will see Dr Mathathir talking about the review of the Malay economic strategy plan.

Chamber president Datuk Syed Amin Aljeffri said they chose Dr Mahathir for his contributions.

"We have to change the old perspective and need to embrace the new era, not shy away from it, and the right person to talk about this is Dr Mahathir."
