Dr M saddened by death

NST - 5/1/2013

KUALA LUMPUR: Tun Dr Mahathir Mohamad yesterday expressed his sadness over the death of national hero Warrant Officer I Datuk Temenggong Kanang Langkau whom he described as an "exemplary Malaysian who had shown his love for this country,

which is difficult to be equalled by others".

Dr Mahathir said Kanang was a worthy model for those who love this country.

"He was prepared to defend the country even at the risk of his own life."
