Datuk Jamal Md Yunus says the call for the prime minister to step down is unfair as he was elected democratically

'Ex-PM's comments excessive'

KUALA LUMPUR: Former prime minister Tun Dr Mahathir Mohamad's constant criticism of Prime Minister Datuk Seri Najib Razak seems excessive and unnecessary, Sungai Besar Umno division chief Datuk Jamal Md Yunus said.

Jamal said Dr Mahathir's call for Najib to step down was unfair as the prime minister was elected through a democratic system.

"We revere Dr Mahathir as a father but for him to criticise his child out in the public is wrong. There are other means. We want to continue respecting him as a father figure," he said yesterday.
