PUTRAJAYA: Work with me as a family and a team. Let's help and trust each other. That was Datuk Seri Najib Tun Razak's message to staff of the Prime Minister's Department (JPM).

Najib in turn pledged that he and his newly-assembled Cabinet line-up would give the best for the country.

"My friends and I in the Cabinet hereby pledge to give our best, as one solid team, in executing the Government's policy to realise the aspirations of the people.

"Come, let us work together as one family and one team that helps and trusts each other," said Najib in a brief speech at the Hari Raya open house hosted by JPM here.

He also urged the staff not to lose focus on their top priority, to execute the National Transformation Policy.

"I believe with everyone's support, the civil service under the leadership of the Chief Secretary to the Government Tan Sri Dr Ali Hamsa will be successful in achieving our goals.

"Always keep in mind that tomor-

row will be a better day. Next month will be better than this month.

"By thinking this way, as a Government we will always seek to improve from what we already

have," said Najib.

The event held at the Putrajaya International Convention Centre was attended by over 4,000 JPM staff.

Najib also handed out *duit raya* to orphans and a donation of RM15,000 from the Federal Territories Islamic Council (MAIWP) to several welfare homes.
