**SPENDING TIME  
AT THE MARKET**

*NST 2015  
-10/21*

Prime Minister Datuk Seri Najib Razak took time off from his schedule for a walkabout at the Sri Serdang night market in Serdang yesterday. 'Spent time to visit the Sri Serdang night market, enjoyable to see the noisy atmosphere and the various wet items on sale here,' he posted on Facebook. 'I also had the opportunity to chat with traders, enquiring about the price of items,' he added. Pic from prime minister's Twitter account
