"The need to produce more certified accountants is significant in order to achieve high income nation status by 2020. This year alone, Yayasan Peneraju has provided various training opportunities for 600 Bumiputeras."

Programmes offered by Yayasan Peneraju include "Peneraju Profesional Akauntan Muda", "Peneraju

Profesional Akauntan Sarjana Muda", "Peneraju Profesional Akauntan Siswazah" and "Peneraju Profesional Akauntan".

Yayasan Peneraju is also widening its accounting programmes to holders of SPM, basic accounting certificates and diplomas, as well as post-Asasi and post-matriculation students, third-year bachelors and first degree holders.

"I urge candidates to not miss this opportunity to embark upon a

The programme's first wave, which began in 2012 and ended on Dec 31 last year, benefited some 4,000 Bumiputeras in 51 programmes, 28 career specialisations and 10 industries, involving an expenditure of RM71.2 million. Bernama
