KUALA LUMPUR: Parti Kita leader Zamil Ibrahim wants Tun Dr Mahathir Mohamad to explain his children's wealth to Malaysians, in the spirit of "Nothing2Hide".

"His children became millionaires within three years when many know they were not prominent businessmen," he told the *New Straits Times* yesterday.

He said Dr Mahathir had been going around asking for explanations here and there, but when people asked him about that particular issue, he turned "deaf" and "mute".

"We want consistent answers from him on how his family can live so lavishly, including having their own private jets.

"How can his children inherit all this wealth when their grandfather was only a school teacher?"

His statement came after Dr Mahathir attended the Nothing2Hide dialogue, which was supposed to take place between non-governmental organisations

and Prime Minister Datuk Seri Najib Razak.

When Najib did not attend because the event was cancelled on the orders of Inspector-General of Police Tan Sri Khalid Abu Bakar, Dr Mahathir went on stage and spoke to the audience for 10 minutes.
