## 'No need for Najib-Dr M debate'

**PUTRAJAYA:** There is no need for Prime Minister Datuk Seri Najib Abdul Razak to debate former premier Tun Dr Mahathir Mohamad as he (Najib) has already explained the issues raised.

"The prime minister has already given his explanation on the issues raised by various quarters. He has already provided written answers ... hope this will

satisfy them," Youth and Sports Minister Khairy Jamaluddin said when asked if a debate was necessary to iron out the brewing conflict between Najib and Mahathir.

He said this to reporters after a signing of a Memorandum of Understanding between Berjaya Corporation Berhad and the Youth and Sports Ministry.
