Nazri lambasts Dr M for lack of principles

The Star - 22/10/2015

KUALA LUMPUR: Tourism and Culture Minister Datuk Seri Nazri Abdul Aziz has criticised former premier Tun Dr Mahathir Mohamad for his hypocrisy and lack of principles, particularly over the ex-leader's criticism of the removal of former Attorney-General Tan Sri Abdul Gani Patail and his defense of a statement issued by the Council of Rulers on the 1MDB issue.

"That was not what I remember. He was

the one who removed the immunity, even a schoolboy knows this so I've no need to comment." he said.

"Many sultans were very angry with him and he did it. He is unprincipled and it is better to ignore him."

Nazri was speaking to the press after the launch of former Balik Pulau member of parliament Yusmadi Yusoff's new book *Lelaki Di Sebalik Pulau*.
