'Dr M needs opposition'

NST- 8/3/2016

KUALA LUMPUR: It is Tun Dr Mahathir Mohamad who needs the opposition's support in his attacks on Prime Minister Datuk Seri Najib Razak, and not the other way around.

Opposition leader and PKR president Datuk Seri Dr Wan Azizah Wan Ismail said Dr Mahathir did not have the numbers to topple Najib.

"It is he who needs our support and not the other way round. How many members of parliament does he have? He is the one who needs us," she said at the Parliament lobby yesterday.
