Najib: Umno members upset with Dr M

JOHOR BARU: Umno president Datuk Seri Najib Tun Razak said party members are upset and disappointed with Tun Dr Mahathir Mohamad over his involvement in the citizens' declaration.

He said many felt it was a big mistake, especially his working with opposition parties like the DAP, whose leader Lim Kit Siang, Dr Mahathir once described as racist and the party as chauvinistic.

"Everybody knows that working with the DAP is a big mistake," he said after opening the Johor Urban Transformation Centre here yesterday.

Asked whether Tan Sri Muhyiddin Yassin and Datuk Seri Mukhriz Mahathir would be sacked for taking part in the declaration, Najib said it was up to the party supreme council and the disciplinary board to decide this.

"I don't believe in making any decisions on my own as it should be done at the supreme council as a collective responsibility," he said.
