## Tajuddin: Dr M working with Jewish media to oust Najib

**UMNO** supreme council member Datuk Seri Tajuddin Abdul Rahman alleged that former premier Tun Dr Mahathir Mohamad is working with Jewish-controlled media to oust Datuk Seri Najib Abdul Razak.

In stating this, the Pasir Salak MP claimed that the Jews and Mahathir were working for a common agenda - to bring down the government led by Najib.

“Some of the media is controlled by the Jews, and they are not happy by what is

happening and what we have achieved in this country,” he told reporters when met at the Parliament lobby yesterday.

In linking Mahathir and the Jewish-controlled media, Tajuddin likened it to a “marriage of convenience”.
