## Mahathir: "People must be able to hold their heads up."

*Tun Dr Mahathir Mohamad was in Penang as part of his cross-country tour – and as a guest of Penang Institute – to gather at least one million signatures for the Citizen's Declaration he initiated. He spent 20 minutes talking with Ooi Kee Beng in between arriving from KL with Tun Dr Siti Hasmah and rushing off to deliver his speech at the packed Straits Quay Convention Centre. The interview took place in the late afternoon on May 8, 2016 at the E&O Hotel.*
