Dr Mahathir Mohamad has requested the rulers to grant him an audience to explain about the situation in the nation instead of just listening to Prime Minister Najib Abdul Razak.

"We hope the rulers will give us a chance to explain things to them because so far we have not been given the chance to do so.

"The only things they hear are from .Najib, but he is the one being accused of many acts which are not legal," the former premier told a press conference in Putrajaya.

This comes after the US Department of Justice announced yesterday that they have filed a civil lawsuit seeking the forfeiture and return of US\$1 billion, which are alleged to have been laundered through 1MDB.
