# Chegubard lodges report over fake declaration

NST- 21/6/2016

**CYBERJAYA:** Youth Solidarity Malaysia (SAMM) founder Badrul Hisham Shaharin yesterday lodged a report with the Malaysian Communications and Multimedia Commission on the dissemination of a fake statutory declaration by several Facebook accounts supporting the Mahathir-Kit Siang Declaration.

Badrul Hisham, better known as Chegubard, said the statutory declaration in the name of independent computer programmer Azharuddin Othman, who claimed he was hired by Chegubard over the sale of the

national population database with the aim of falsifying signatures for the declaration, was a fake.

“As soon as I realised the existence of the fake declaration, I contacted Azharuddin and he said it was fake and issued a denial in his Facebook account less than an hour later.

“So, today (yesterday) I lodged a report so that MCMC can investigate the individual behind the Facebook accounts in question and take appropriate action,” he said at the MCMC building here.

On May 26, Azharuddin came out

with a declaration admitting he was involved in the sale of the national population database to obtain 1.2 million signatures for a declaration initiated by former prime minister Tun Dr Mahathir Mohamad.

On June 8, another statutory declaration in Azharuddin’s name was disseminated over social media claiming that he was hired to read the text of the first statutory declaration by Chegubard. However, two days later, Azharuddin and Chegubard clarified that the second declaration was fake. **Bernama**
