## Khalid: Dr M can reach out to people that we can't

The Star - 9/3/2016

KUALA LUMPUR: Tun Dr Mahathir Mohamad's role in the "Save Malaysia" declaration is to reach out to the segments of society the Opposition cannot reach, says Amanah MP Khalid Samad.

The Shah Alam MP said there was a certain segment in society that did not listen to them, saying they were all troublemakers.

"So when Dr Mahathir says it, we want it to reach this sector.

"We want to educate the public that we must have more accountability and transparency," he told reporters at the Parliament lobby yesterday.

Khalid added that the issue of forgiving Dr Mahathir did not arise.

"The issue is getting the rakyat together to bring reform to society. We can only start the reform if Najib steps down."

He also agreed that Dr Mahathir was responsible for many of the country's problems today but pointed out that he was no longer the prime minister.

"He was the one who started the process of cronyism and so on. Today, he is not the prime minister anymore.

"We are not interested in fighting pensioners. We are interested in fighting the one who is in power," he added.
