High office: Dr Mahathir working from the 86th floor of the Petronas Twin Towers.

*The Star - 12/3/2016*

# Axe on the adviser

A week after he launched the citizens' declaration demanding the ouster of the Prime Minister, Tun Dr Mahathir Mohamad has been removed from his position as adviser to Petronas. The Cabinet made the unanimous decision to axe him and there are now questions over the former prime minister's other appointed positions – as chairman of national carmaker Proton and the Perdana Leadership Foundation.
