# NGO lodges report against Shafie, Dr M

NSY- 3/2/2017

**PUTRAJAYA:** Non-governmental organisation Gerakan Akar Umbi Umno Malaysia (GAUM) yesterday lodged reports with the Malaysian Anti-Corruption Commission (MACC) against former Umno vice-president Datuk Seri Mohd Shafie Apdal and former prime minister Tun Dr Mahathir Mohamad.

GAUM chairman Datuk Zulkarnain Mahdar said the report was lodged following an allegation by Solidariti Anak Muda Malaysia founder Badrul Hisham Shaharin, in his blog on Sept 27 last year, of abuse of power by Shafie, who is former rural and regional development minister.

“This is our second report to MACC because no action was taken on our first report,” he said.

Zulkarnain said a report was also lodged against Dr Mahathir over the US\$10 billion loss suffered by Bank Negara Malaysia in foreign exchange trading in the 1990s when he was prime minister. **Bernama**
