'Dr M, Muhyiddin, Mukhriz should clear name'

KUALA LUMPUR: Parti Pribumi Bersatu Malaysia's (PPBM) Youth wing has urged the party's top leaders to come clean on the scandals they are allegedly involved in.

PPBM Armada executive committee member Muhammad Hafiz Azhar yesterday urged party chairman Tun Dr Mahathir Mohamad and president Tan Sri Muhyiddin Yassin to explain the controversies surrounding them.

"Dr Mahathir must clarify claims over his family's immense wealth, especially his children's ownership of hundreds of companies.

"There are also claims of alleged abuse of power during his tenure as prime minister and it's about time he explained himself," he said during a press conference here yesterday.

Hafiz urged Dr Mahathir to attend the upcoming "Nothing to

Hide 2" forum next month to answer all the allegations against the latter.

"We also urge Muhyiddin to be one of the forum's panel members. He should be honest about his alleged scandal with another woman. This will allow him to clear his name."

Hafiz said the forum would allow both leaders and Dr Mahathir's son, Datuk Seri Mukhriz Mahathir, to clear the air.
