Nothing is more valuable than a sincere friendship, says Umno president

KUALA LUMPUR

PRIME Minister Datuk Seri Najib Razak appreciates the friendship and spirit of solidarity of his comrades-in-arms in Umno who are honest and sincere that the party remains strong.

Speaking at the breaking-of-fast event with about 2,500 friends and comrades at Seri Perdana here yesterday, the Umno president said he was overwhelmed that his comrades-in-arms who did not care about the good or bad times had remained with him and did not betray the party.

“Nothing is more valuable than an honest and sincere friendship among us who already know the hearts and minds of fellow colleagues due to what we have gone through (before).

“In a struggle, what gives us satisfaction and pleasure is when we have more friends and companions who are always by our side.

“Friends are many if you’re happy and have power. They will turn up even if we don’t invite them. But, during difficult times, those people who are still with us show the sign of honesty and sincerity of their struggles,” he said.

Present was his wife Datin Seri Rosmah Mansor.

At the event, Najib and Rosmah also presented tithes contributions to about 160 orphans from Rumah Ilham, Alkhairiyah Orphans Welfare Home and Maahad Tahfiz Ittifaqiyah.

Najib said he and his colleagues were always grateful for the deeds and value of the struggles of Umno.

“We will continue the party struggle. Our party will continue to be strong ... We owe it to the party. What we have today is because of the struggles of Umno. Our fortune today is because of Umno. Anything we have today is because of Umno’s struggle. Do not forget Umno’s deeds.

“We are not strong. I am not strong. But

Umno is strong. We are strong because Umno is behind us. This sacred party makes us strong and as such, Putrajaya belongs to us.

“We must fight for Umno in whatever situation. We don’t promise ranks or contracts or anything. We try to promise a struggle. If there is luck, God will determine the sustenance in whatever amount to us. If we fight for Allah sincerely, there will be a portion for us later,” he said.
