MALAYSIA VISION VALLEY (MVV) CLUSTERS

- **Malaysia Vision Valley** is an emerging economic zone, spanning 153,000ha from Port Dickson to Seremban and Nilai to complement the already congested Klang Valley. It comprises industrial, commercial and residential clusters.
- **THE STAKEHOLDERS**
Federal Government and Negeri Sembilan government.
- **MASTER PLANNER**
Malaysia Vision Valley Holdings Sdn Bhd, which is jointly owned by:
Sime Darby Properties (50 per cent)
Kumpulan Wang Persaraan (25 per cent)
Brunfield International Group (25 per cent)
- **EXPECTED RETURNS**
Over RM400 billion by 2045
- Expected population by 2045: More than 10 million people.
- Part of 11th Malaysia Plan (2016-2020).
