## 'Dr M will step down for Anwar'

**SUNGAI PETANI:** Kedah PKR is confident that Tun Dr Mahathir Mohamad will not break his promise in paving the way to the party's president Datuk Seri Anwar Ibrahim to be the eighth prime minister.

The party's state Leadership Council chairman Datuk Johari Abdul said there was no issue or problem in appointing Anwar, even though now many Umno members of parliament had joined Parti Pribumi Bersatu Malaysia (Bersatu).

"When Pakatan Harapan (PH) was preparing to face the 14th General Election, one of the manifesto promises was to accept Dr Mahathir as Prime Minister for two years and then Anwar would be next.

"Praise to God, we won and PH won majority of the seats. Even though we (PKR) are the majority in Parliament, we still hold to that promise.

"Surely he would make good on his promise," he said yesterday.
