KLANG: A steady stream of very important well-wishers visited Economic Affairs Minister Datuk Seri Azmin Ali after he underwent gall bladder surgery.

Azmin who is also PKR deputy president was admitted to hospital last Friday and was discharged on Tuesday, sources said.

PKR president Datuk Seri Anwar Ibrahim and his wife Deputy Prime Minister Datuk Seri Dr Wan Azizah Wan Ismail were among those who visited Azmin at his home in Ampang.

Anwar's visit yesterday came amid reports of disagreements on PKR matters between the two over the past few weeks.

Apart from Anwar and Wan Azizah, Selangor Menteri Besar Amirudin Shari and Deputy Primary Industries Minister Datuk Seri Shamsul Iskandar Mohd Akin as well as their spouses also visited Azmin.

"My wife and I with the Deputy Prime Minister and Datuk Seri

Anwar Ibrahim together with Datuk Seri Shamsul Iskandar visited Datuk Seri Azmin Ali at his house at about noon.

"I am praying for his speedy recovery so that he can return to carrying out his duties," said Amirudin in a statement.

According to Shamsul Iskandar, Azmin is recuperating well and will be resting at home for some time.

Azmin earlier received a visit from Yang di-Pertuan Agong Al-Sultan Abdullah Ri'ayatuddin Al-Mustafa Billah Shah in hospital before he was discharged.

Photos of Sultan Abdullah with Azmin at the hospital on Tuesday went viral on social media.

On Monday, Tun Dr Siti Hasmah Mohd Ali, the wife of Prime Minister Tun Dr Mahathir Mohamad, visited Azmin after his surgery.

In a Tweet, Azmin's daughter Farah Amira said Siti Hasmah spent time chatting with her father as well as her mother Datin Seri Shamsida Taharin.

"A picture paints a thousand words, they say.

"Indeed, Abah (father) @

"Such a gem of a person, Tun Dr Siti is the embodiment of kindness, gentleness, love and compassion as

I can see for myself in the way she cares for Abah @AzminAli," Farah Amira said.

Azmin when contacted said he was recuperating well.

"Thanks to the meticulous and expert care and treatment given by

a very professional team of doctors and nurses," he said.
