'PROTON 1': It was a trip down memory lane when the Sultan of Johor (left) took the wheel of a 1st-generation Proton Saga, which was presented to the Ruler's late father some 34 years ago, and drove Prime Minister (PM) Tun Dr Mahathir Mohamad to the Senai International Airport yesterday. Sultan Ibrahim Sultan Iskandar drove Dr Mahathir about 25km from Istana Bukit Serene to the airport after their 90-minute meeting at the palace. Sultan Ibrahim has consented to the PM meeting or contacting His Royal Highness in the future if there is a need to discuss any issue. SEE ALSO P2
