PETALING JAYA: Tan Sri Muhyiddin Yassin's leadership in combating the Covid-19 pandemic while managing the economy was commended by MCA president Datuk Seri Dr Wee Ka Siong.

Dr Wee was among Johor political leaders who attended a closed-door dinner in conjunction with Muhyiddin's official visit to the state.

"The Prime Minister, while delivering his enthusiastic message, explained how the Perikatan (Nasional) government worked hard to fight the Covid-19 pandemic as well as to revive the country's economy," said Dr Wee in Facebook yesterday.

Dr Wee also said Johor Menteri Besar Datuk Hasni Mohammad, in his speech, had noted the importance of serving everyone regard-

In a separate post, Dr Wee noted his meeting with Chief Secretary to the Government Datuk Seri Mohd Zuki Ali to discuss projects under the Transport Ministry.

"(Mohd Zuki) was recently appointed as chairman of Malaysia Rail Link Sdn Bhd, which is responsible for the construction of the East Coast Rail Link (ECRL) project.

"I am confident that the Chief Secretary will shoulder his responsibility well, especially in handling the re-acquiring land along ECRL tracks. The Chief Secretary has also helped the Transport Ministry in various administrative affairs," said Dr Wee.

On Aug 1, the board of directors and management of Malaysia Rail Link announced Mohd Zuki as the chairman of the company.
