**KUALA LUMPUR:** Former prime minister Datuk Seri Najib Razak, 67, who was convicted of seven corruption charges in relation to SRC International case on Tuesday, posted his RM1 million bail yesterday.

He arrived at the court in Jalan Duta with his son, Ashman, at 1.30pm and was greeted by supporters.

Najib spent about 30 minutes at the High Court registration office and left after completing the documentation process.

"You took a lot of my pictures yesterday," Najib jokingly told the media as he was leaving.

He was ordered to post an additional RM1 million bail by the High Court as a condition for his

stay of execution on his 12-year jail and RM210 million sentence.

He was found guilty of all seven charges relating to the misappropriation of RM42 million of SRC International funds.

Deputy Inspector-General of Police Datuk Mazlan Mansor said police would use closed-circuit television camera footage to track those who participated in a mass assembly outside the court complex during Najib's case on Tuesday.

He said the gathering contravened the directives agreed upon during a meeting between its organisers and the Sentul district police chief last week.

He said the meeting had raised the importance of social distanc-

ing as a priority, especially as the Recovery Movement Control Order was in effect.

"We had told them what must be done. I'm sure people are aware of the dangers posed by Covid-19. We allowed them to gather, but they had to do it in a responsible manner.

"The opposite happened. What was agreed upon at the meeting did not materialise," he said after officiating the Sentul district police headquarters here yesterday.

Mazlan said the organiser would be summoned to aid the investigation.

Asked why police did not take action on Tuesday, Mazlan said police did not want to worsen the situation.
