

# Special Aidilfitri aid of RM500 for civil servants, RM250 for pensioners

THE government has agreed to give a special Aidilfitri financial aid of RM500 to all civil servants on Grade 56 and below, including those on Contract of Service and Contract for Service, part-time daily paid officers and appointments under Malaysia Short-term Employment Programme or MySTEP.

Prime Minister Datuk Seri Ismail Sabri Yaakob said government pensioners would get a

similar aid of RM250.

"This special aid will be paid together with the April salary on April 25, 2022.

"This special aid involves an allocation of RM923 million and will benefit more than two million civil servants and pensioners," he said in a statement today.

Ismail Sabri said the announcement on the aid this year was made earlier to help the people make better planning and pre-

parations for their Aidilfitri celebrations.

This incentive also shows the government's appreciation of the deeds and sacrifices made by civil servants in performing their duties to serve The Malaysian Family, he added.

The government hoped this aid would ease the burden of civil servants and spur them to continue serving with dedication, he said.
