

The Star (Property) - 9/12/2022 Pg. 20

A landmark of the 21st century: In 1997, then acting Prime Minister Datuk Seri Anwar Ibrahim planted a miniature Malaysia Flag on a scale model of i-City, and today in 2022, Anwar, as Prime Minister, is witnessing this local blueprint making global footprints.

## **1995** - A future Prime Minister's visit on insights into ICT

The RM10mil Russian Aerospace Showcase attracted over one million visitors and among the many are Datuk Seri Anwar Ibrahim (left) and his family, who are inside the MIR Space Station. Datin Seri Wan Azizah Wan Ismail (seated, right) and Nurul Izzah (standing, rear).
