

CALLS FOR STABILITY

BN REAFFIRMS SUPPORT FOR PM AND UNITY GOVT

Sec-gen says some quarters threatening to upend political stability

KUALA LUMPUR

BARISAN Nasional (BN) secretary-general Datuk Seri Dr Zambry Abd Kadir has reiterated the coalition's support for the unity

government and called for all quarters to reject any move to destabilise the administration.

He said threats had been made by several quarters seeking to upend political stability.

"There is much speculation on social media by certain quarters, who have lost their compass of political stability and are making threats with the aim of seeing the country in turmoil.

"The country is in need of a stable government to rejuvenate the national development agenda, growth and drive to tackle the

increasingly complex global challenges," he said yesterday.

Zambry, who is also foreign minister, said stability was vital for Malaysia to prosper on the world stage.

"Malaysia has to return to the global stage to rebuild the confidence of investors and the international community.

"As such, the bedrock of stability must be upheld by all segments of society."

He said BN would continue to uphold the people's aspiration of a peaceful and stable country,

helmed by a prime minister who had the support of all parties that formed the the unity government, as decreed by the king.

"As such, BN urges all quarters to focus on the agenda of developing the country and to reject all forms of political threats.

"BN wishes to repeat its undivided support for the unity government under the leadership of Prime Minister Datuk Seri Anwar Ibrahim."

Zambry's statement comes in the wake of Anwar acknowledging that there was a conspiracy to

Datuk Seri Dr Zambry Abd Kadir

topple the unity government but dismissing it as having no basis.

It was alleged that 10 BN MPs who supported Tan Sri Muhyiddin Yassin for the prime minister's position after the 15th General Election were involved in a plot to overthrow the government by quitting their seats to force by-elections.

A number of BN MPs, particularly from MCA, have since denied involvement in the plot.
