PM encourages personnel to carry out duties with discipline, integrity

KUALA LUMPUR

CUSTOMS and Immigration Departments personnel should carry out their duties with discipline and integrity, said Prime Minister Datuk Seri Anwar Ibrahim.

He said this when he made a surprise visit to Penang International Airport on Friday.

In a Facebook post yesterday, Anwar said he wanted Customs and Immigration personnel to ensure that there were no shortcomings, which could cause

billions of ringgit in losses to the country.

He said the visit was to see for himself the management and facilities of the airport as well as the deployment of personnel, especially from both departments.

Anwar, who is finance minister, was also briefed on Penang's development.

It was reported that the expansion of the airport was among the issues raised. **Bernama**
